Arlington Wreath Project

Worcester Wreath Co. and its involvement with the Arlington project was inspired at the early age of 12 years old when, as a Bangor Daily News paper boy, Morrill Worcester won a trip to the Nation's Capital. It was a trip he would never forget, and Arlington National Cemetery made an indelible impression. In later life, he recognized that his success as a businessman was in large part, due to the values of this Nation and the Veterans who made the ultimate sacrifice for their country.

In 1992, Worcester Wreath Company of Harrington, Maine found themselves with an excess of wreaths nearing the end of the holiday season. Seeing an opportunity to make a boyhood dream a reality, efforts to do something special with those wreaths began in earnest. With the help of Maine Senator Olympia Snowe, arrangements were made for the wreaths to be placed at Arlington.

Now fifteen years and over 75,000 wreaths later, the original group has been joined by many others who participate in the project each year.

Wreaths Across America

In 2006, in response to thousands of emails and letters, Worcester Wreath expanded its wreath donations Nation wide. With the help of the Civil Air Patrol and many others, ceremonies were held simultaneously at 230 locations. From the snow banks of Alaska to the sands of Iraq our Nation's heroes were honored.

Early in 2007 Wreaths Across America became a nonprofit. This allows those who wish to participate to sponsor wreaths.

Your wreath sponsorship helps to place wreaths on Veteran's graves as well as fund Veteran and educational outreach.

Our Mission: Remember the Fallen, Honor those who serve, and teach our children the cost freedom.

To accomplish our goal we need to complete gathering sponsorships by September 2007.

**This years ceremony will be held on
December 15, 2007.**

Help us reach our goal by 9/1/2007
